Children can explore the Alutiiq Museum's Wamwik - a place to play. This replica of a traditional house transports our youngest visitors into the Alutiiq world with dress up clothing, Alutiiq-themed toys, puzzles, and plush animal puppets.

Education Program Information

*Cama'i - Hello.
We welcome you!*

The Alutiiq Museum brings the celebration of Alutiiq culture and heritage to daily life.

Our educational programs tell the Alutiiq story to assist all people in knowing Alutiiq culture. We combine Alutiiq and Western ways of teaching to create programs that do more than deliver information - they inspire.
